ELITE SCOUT
PROGRAMME

PROGRAMME OVERVIEW

The UEFA Elite Scout Programme is an international foundation programme for professional scouts in the football industry.

The UEFA Elite Scout Programme (UEFA ESP) is a three-month programme designed specifically for those who wish to pursue a scouting career in the modern-day football environment. This unique learning experience provides current and future scouts with all the latest tools they need to work at the highest standards of the profession, supported by a network of international scouting experts. By the end of the three-month programme, you will be equipped with all the information you need to pursue a successful career as an football scout.

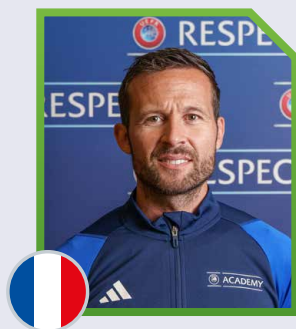

The programme is highly interactive and participatory: you will get to experience expert's masterclasses, real-life case studies and simulation exercises together with your classmates. You will also have the opportunity to learn from UEFA experts and industry leaders who will

share their experience and insights through a serie of live presentations and workshops. In addition, current scouts and sporting directors will share with you inspiring personal stories of how they successfully managed their top-flight careers in the most prestigious clubs and associations.

The programme features three face-to-face seminars covering the essentials of becoming a football scouts such as: laws and regulations, technology, data management, player welfare and psychology, football tactics and match observation for example.
